

Upswung Parking System Corp

MB832 Barrier Gate Warrantee

The MB832 barrier gates are covered for mechanical defects for 1 year from the time of purchase for parts. Repair parts will be shipped to directly to customer's installer.

To be covered for warrantee labor during the 1 year period the MB832 must be shipped to us for repair, shipping both ways to be paid by customer. We do not cover 3rd party on-site labor repair costs.

Damage from vehicle impacts or other external sources to the base and/ or the aluminum tube are not covered.

Finish:

Powder coated finish is resistant to rusting and scratching but is not covered under warrantee.

Hold Harmless Clause:

Due to building ordinance and construction practices beyond our control the customer holds Upswung Parking Systems Corp harmless for any and all personal injury and property damage arising from location and/or use of barrier gates. Always consult local building authority before installation.
