

## **Upswung Corp MB832 Barrier Gate Warrantee**

The MB832 barrier gates are covered for mechanical defects for 1 year from the time of purchase for parts. Repair parts will be shipped directly to customer's installer. To be covered for warrantee labor during the 1 year period the MB832 must be shipped to us for repair, shipping both ways to be paid by customer. We do not cover 3rd party on-site labor repair costs. Damage from vehicle impacts or other external sources to the base and/ or the aluminum tube are not covered. Finish: Powder coated finish is resistant to rusting and scratching but is not covered under warrantee.

### **Hold Harmless Clause:**

Due to building ordinance and construction practices beyond our control the customer holds Upswung Corp harmless for any and all personal injury and property damage arising from location and/or use of barrier gates. Always consult local building authority before installation.
